

How to make your comments count for Resource Management Plan amendment and associated Environmental Assessment to consider management decisions for new fixed anchors in wilderness

Thank you for your interest in this project!

Your comments and questions are important to the environmental review process and will be addressed in the Draft Environmental Assessment.

The following information would be the most useful:

- What activities and ethics are appropriate for new fixed anchors in wilderness?
- Are permits, monitoring, and enforcement appropriate for new fixed anchors in wilderness?
- Are new fixed anchors appropriate near cultural, visual, and natural resources?
- How do new fixed anchors impact wilderness character?

Please note that petitions and form letters are only counted as one comment.
